AFTERSHOW REPORT 2025

ECOMONDO MEXICO & RE+ MEXICO 2025 Mark a milestone on the road to a sustainable future

"The urgent transition to a sustainable future can only be achieved through collaboration and knowledge exchange. Tools and technologies alone are not enough to drive the transformation we need."

BERND ROHDE
CEO and Member of the Board, Italian German
Exhibition Company Canada & Mexico

"What an incredible experience at RE+ Mexico, the largest clean energy event in North America!"

My heartfelt thanks to the organizers for making this outstanding gathering possible and to everyone who took the time to share their vision, knowledge, and enthusiasm with me. We leave with valuable insights, meaningful connections, and renewed momentum."

MANUEL HERRERA
Secretary of Sustainable Energy Development of
the State of Jalisco

"This event is of great significance for the development of renewable energy in Mexico and throughout the Latin American region".

JORGE ISLAS
Undersecretary of Planning and Energy
Transition at the Ministry of Energy (SENER)

"This event represents a significant opportunity to promote initiatives in the field of green technology in Mexico, where Italy aims to strengthen its position in the green and circular economy sector. Given the country's vast natural resources, there is enormous potential for growth."

VALENTINA VALENTE
Head of the Economic and Commercial Office at the
Embassy of Italy in Mexico
