Solar + Storage Mexico 2024's Energy Night positioned itself as the most exclusive networking event for the solar industry.

An extremely enriching evening that undoubtedly strengthened ties and opened opportunities for the joint progress of the sector.

With pride and enthusiasm, we share that

SOLAR + STORAGE MEXICO evolves into RE+ MEXICO,

taking a transcendental step to cover the entire clean energy value chain of the present and the future.

This new stage will be key to set the renewable energy course for our country.
